

# Douglas Housing Authority

## ACT OF KINDNESS GIVEAWAY

Due to the Pandemic, we are living in a world that has experience so much tragedy and in a time in which some of us are better off than others. People have gotten away from what it is to be kind to others. We wanted to let our residents know that there are people still left in this world that have a caring heart and don't mind showing it. So, the Douglas Housing Authority decided to hold an Act of Kindness Giveaway to award two very deserving residents with a token of love from us to them. Jasmine Gifford was awarded a free nail appointment and Mr. Jerome Black was awarded a sanitizing gift basket.

**BE KIND!**
