Attachment B.1(c) Housing Authority of the City of Douglas Deconcentration Policy

Deconcentration Policy

It is the Housing Authority of the City of Douglas' Policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Housing Authority of the City of Douglas will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

Prior to the beginning of each fiscal year, we will analyze the income levels of families residing in each of our developments, and the income levels of the families on the waiting list. Based on this analysis, we will determine the level of marketing strategies and deconcentration incentives to implement.

Deconcentration Incentives

The Housing Authority of the City of Douglas may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

Offer of a Unit

When the Housing Authority of the City of Douglas discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income-targeting goal.

The Housing Authority of the City of Douglas will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given three (3) business days from the date the letter was mailed to contact the Housing Authority of the City of Douglas regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and

the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Housing Authority of the City of Douglas will send the family a letter documenting the offer and the rejection.

Rejection of Unit

If in making the offer to the family the Housing Authority of the City of Douglas skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Housing Authority of the City of Douglas did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they would not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

Acceptance of Unit

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the unit becomes available, whichever is later.

Prior to signing the lease, all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, utility charges, the current schedule of routine maintenance charges, tenant handbook, and a request for reasonable accommodation form. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the resident's file.

VIOLENCE AGAINST WOMEN ACT

Domestic Violence, Dating Violence, Sexual Assault, **Stalking.** The following provisions are applicable to situations involving incidents involving actual or threatened domestic violence, dating violence, sexual assault, or stalking, as those terms are defined in Section 6(u)(3) of the United States Housing Act of 1937, as amended, (42 U.S.C. §1437d(u)(3)) and in PHA's Violence Against Women Act (VAWA) Policy. To the extent any provision of this section shall vary from or contradict any other provision of this lease, the provisions of this section shall prevail.

A. <u>Termination of tenancy</u>

- 1. An incident or incidents of actual or threatened domestic violence, dating violence, sexual assault, or stalking shall not constitute a serious or repeated violation of the lease by the victim of such violence; and
- 2. Criminal activity directly relating to domestic violence, dating violence, sexual assault, or stalking, engaged in by a member of the tenant's household, a guest, or other person under the tenant's control, shall not be cause for termination of assistance, tenancy or occupancy rights, if the Tenant or an affiliated individual is the victim or threatened victim of the domestic violence, dating violence, sexual assault, or stalking.

VAWA 2013 defines an "affiliated individual" with respect to an individual, as a spouse, parent, brother, sister, or child of that individual, or an individual to whom that individual stands in loco parentis, or any individual, tenant, or lawful occupant living in the household of that individual.

- 3. Notwithstanding anything to the contrary contained in paragraphs A.1. and A.2. above, PHA may terminate Tenant's tenancy under this lease if it can demonstrate an actual and imminent threat to other tenants or to those employed at or providing service to the development in which the unit is located, if the tenant's tenancy is not terminated.
- 4. Further, nothing in this section shall prohibit PHA from terminating tenancy under this lease based on a violation of this lease not premised on an act or acts of domestic violence, dating violence, sexual assault, or stalking against the tenant or a member of the tenant's household for which protection against termination of tenancy is given in paragraphs A.1. and A.2. above. However, in taking any such action to terminate tenancy, PHA shall not apply a more demanding standard to you than to other tenants.

B. Bifurcation of Lease

Under the authority provided in Section 6(l) (6) (B) of the United States Housing Act of 1937, as amended (42 U.S.C. §1437d (l) (6) (B)), PHA may bifurcate this lease in order to evict, remove, or terminate assistance to any individual who is a Tenant or a lawful occupant under this lease and who engages in criminal acts of physical violence against family members or others. PHA may take such action without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such violence who is the Tenant or a lawful occupant under this lease.

C. Certification

If the Tenant or a lawful occupant, as a defense to termination of tenancy or an action to evict, claims protection under this section against such action, PHA may (but is not required to) request the individual to deliver to PHA a certification. The certification may be delivered in one of the following forms:

1. A HUD-approved form (supplied by PHA) attesting that the individual is a victim of domestic violence, dating violence, sexual assault, or stalking and that the incident or incidents in question

are bona fide incidents of such actual or threatened abuse and meet the requirements of this section, or

- 2. Documentation signed by an employee, agent or volunteer of a victim service provider, an attorney, or a medical professional, from whom the victim has sought assistance in addressing domestic violence, dating violence, sexual assault, or stalking or the effects of the abuse, in which the professional attests under penalty of perjury to the professional's belief that the incident or incidents in question are bona fide incidents of abuse, and the victim has signed or attested to the documentation, or
- 3. A Federal, State, tribal, or local police report or court record, describing the incident or incidents in question.

The certification must be delivered to PHA within 14 days after the request for certification is received from the PHA. If the certification is not delivered to the PHA within the 14-day period allowed, the provisions of this section will not apply and the PHA may elect to terminate tenancy and evict without regard to the protections provided in this section.

D. Confidentiality.

The law requires that information provided to the PHA concerning an incident or incidents of domestic violence, dating violence, sexual assault, or stalking be retained in confidence, not placed in any shared data base nor provided to a related entity, except to the extent that disclosure is requested or consented by the individual supplying such information in writing, or required for use in an eviction proceeding, or otherwise required by applicable law.

ALTERNATE PROVISIONS

E. Certification.

If the Tenant or a lawful occupant, as a defense to termination of tenancy or an action to evict, claims protection under this section against such action, PHA may (but is not required to) request the individual to deliver to PHA a certification. The certification may be must be delivered within 14 days after the request for certification is received from PHA and may be made in the manner described in the request. If the certification is not delivered within the time allowed, PHA may proceed to terminate tenancy and evict without reference to this section.

F. Confidentiality.

Information provided to PHA concerning an incident or incidents of domestic violence, dating violence, sexual assault, or stalking shall be retained by PHA in confidence and disclosed only as permitted by applicable law.
